## ATTENTION

### ALL Participants, Families, and Spectators of MAL Basketball

I am looking forward to another exciting & fun MAL basketball season. In order for this to happen the following gym guidelines **MUST** be followed

1. FMS Falcons Teams may run late and cut into MAL scheduled times. FMS Falcons have priority in use of the Fieldstone Gymnasium. If these teams are still playing a game or practice, please do not disturb them. Please remain in the hallway, **quietly**, until they have finished.
2. Parents can't let their children roam **unsupervised** in the hallways or playing under the bleachers. In the past, toilets have been clogged and soap dispensers emptied. This posed a very dangerous situation for your children, as well as a distraction to the custodial staff. As a PARENT, it is your responsibility to supervise your children when visiting the schools.
3. Parents are not allowed to drop off their children **unsupervised** at the school if they don't have a game. If your child would like to watch another team's game, a parent must accompany them.
4. Players and spectators are required to clean up after themselves. The MAL is responsible for the cleanliness of the gyms after their use. Please place your garbage in the proper receptacles as you leave the gyms. **\*Also, please note that no food or drink is permitted in the gymnasiums. The exception is that water may be provided at the team bench under the coach's supervision.**
5. All entry and exit for night and weekend activities at Memorial School will be from the community entrance off Memorial Drive.

Failure to abide to these guidelines will give the MAL the right to issue sanction or suspension to those involved.

Thank you for your cooperation.

Sincerely,  
Al Iannetta  
MAL Basketball Commissioner

Barry Noonan  
MAL Soccer Commissioner
